Radio Anywhere's new single 'LOUISE' released today

German hard/prog/alternative rock band Radio Anywhere unveils a new video for 'LOUISE'.

*Do you remember? Us laughing through
the pain.*

German hard/prog rock band Radio Anywhere releases a new video for 'LOUISE', a song from the EP '20/21 VISION'. It tells the story of a relationship that never really ended.

Recorded between August and September 2022 at 79Sound Studios in Cologne, Germany, the song was released on all major music platforms via distribution service Distrokid.

The song was already an integral part of the Radio Anywhere gigs and was extremely well received by the fans.
